### GREAT SERVICES:

Great for Emergency Services, Wheelchair Transport, Volunteer Services, and more.

## WHY YOU SHOULD CHOOSE UNIFIED TRUCK CHECKS

### **Field Friendly**

Our platform is easy to use and works on any device, even without internet connection.

### **Easy to Learn**

We offer training webinars as part of our Go-Live services, however not many agencies find they need them.

### **Easy to Manage**

Everything in CloudPCR is very simple to navigate and edit.

### **System Reliability:**

Our military-grade solutions and infrastructure have a 99.99% uptime rating.

### **Multi-station Support**

Great for agencies who need to track over multiple stations.

### **Single Sign-On**

Sign in easily with Single-Sign-On.

### **Top Level Security**

We utilize the most secure and up-to-date infrastructure in our software.

### **Quick to Trial**

Get your hands on a fully functional demo account in hours.

### **Secure & Compliant**

We use all top-of-the-line secure technologies. Our platform is more than just compliant with your State, NEMIS V3, and HIPAA requirements.

### **Role-based Permissions**

Easily manage your users by roles.

### **HIPAA Compliant**

We are compliant with all recent HIPAA regulations.

### **Email and Text Notifications**

Get notified for things like complete or incomplete checks.

### **Fast to Deploy**

Most of our organizations go live within a matter of days.

### **Reliability**

Our military-grade solutions and infrastructure have a 99.9% uptime rating.

## WHY YOU SHOULD CHOOSE UNIFIED TRUCK CHECKS

### **Single Platform Environment**

One platform, fully integrated, with all your needs.

### **24/7 help chat**

Any user in your organization has access to 24/7 help chat to get answers and training when they need it.

### **Unified Notifications**

Aggregate notifications from all our apps in your ecosystem.

### **No Installation Necessary**

You don't need to be an IT expert to start using our platform, simply log in and start using it.

### **Ease of Use**

It shouldn't be harder to use and manage your organization's software than it is to organize a birthday party on social media. Our modern software is lightweight, intuitive, yet powerful.

### **Works on any device**

Our platform works on old PCs, Macs, iPads, Android Tablets, and more.

### **No Servers to Manage**

Our platform works in the secure cloud, no servers to secure and manage.

### **Device Security**

Easily Manage which devices can access your account.

### **Easy to Manage**

Admins enjoy a clean and simple interface that is easy to read, find what you need, and manage your account.

### **Configurability**

A hallmark of our products is the ability of any admin of our platforms to make customizations specific to their agency without having to work with any developers, learn any code, or read extensive manuals.
